Edison Electric  
INSTITUTE

Thomas R. Kuhn  
President

July 28, 2017

The Honorable Steven Mnuchin  
Secretary  
United States Department of the Treasury  
1500 Pennsylvania Avenue, NW  
Washington, D.C. 20500

Dear Secretary Mnuchin:

The Edison Electric Institute (EEI) is holding its annual financial conference on November 5-8, 2017, in Lake Buena Vista, Florida, at the Walt Disney World Dolphin and Hotel. We would be delighted if you would join us as opening keynote speaker on Monday, November 5, from 9:00 a.m. to 9:30 a.m.

EEI is the association of U.S. investor-owned electric companies. EEI's members provide electricity for 220 million Americans and operate in all 50 states and the District of Columbia. The electric power sector supports more than 7 million American jobs. With more than \$100 billion in annual capital expenditures, the electric power industry is responsible for providing safe, reliable, affordable, and sustainable electricity that powers the economy and enhances the lives of all Americans.

Our annual financial conference brings together electric company executives and investors from around the world to network and hear about the cutting-edge issues facing the electric power industry. Traditionally, about 1,200 people attend the conference. Three-fourths of the audience is comprised of CEOs and senior management from investor-owned electric companies and the top leaders from Wall Street, while the remaining audience consists of entities that provide services to the industry. National and trade press also attend the conference.

Given the critical role the Department of Treasury has in shaping future economic policy, we are very interested in hearing your perspective on key policy issues such as comprehensive tax reform, infrastructure investment, and energy.

Thank you in advance for your consideration. If you have any questions or need any additional information regarding the meeting, please let me know or ask your staff to contact Eric Grey ([egrey@eei.org](mailto:egrey@eei.org); 202-508-5471).

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Kuhn", written in a cursive style.

Hi there,

**Ex. 6 - Personal Privacy**

So allow me to respond. Yes, the Administrator may do this event, even though EEI is a federally registered lobbyist. He may attend any events on the day that he is speaking, and may eat any meal offered that day that is offered to all attendees. Since the event takes place early in the day, do let us know if he goes down the night before and then is invited to any EEI events on the day before he speaks. The ethics exception I'm using for the day that he is speaking does not apply to events on the preceding day. And let Gail Davis and me know if EEI offers to pay for his lodging or flight.

Hi Sarah,

**Ex. 5 - Deliberative Process**

For example, as a federal employee, Mr. Pruitt cannot ever engage in any fundraising for any political party or group, which includes how the organization refers to him in its publicity material if indeed he agrees to do this event. In addition, there are restrictions with regard to whether they can include his EPA title and position in connection with partisan political activity, and the organization will have to pay for his travel expenses.

Ryan,

Congratulations on your new job as COS for Administrator Scott Pruitt! Our nation truly is in a better place with you two at the EPA.

I would like to request Admin Pruitt to be our keynote speaker at our largest fundraiser of the year, The State Convention's Gala Dinner on May 5th, 2017 at the FirstMoore Baptist (301 NE 27th St, Moore, OK 73160).

Reception begins at 6 p.m. where Admin. Pruitt would be the guest of honor with the dinner at 7 p.m. when he would give the keynote address around 7:45 p.m.

The theme for the weekend is "Celebrate Oklahoma".

The Republican Party is proud to have voted for the Republican nominee for President for the 4th consecutive election which led to Donald J. Trump becoming the 45th President of the United States. We celebrate our 94% win record on the ballot in 2016 where the state democrats did not win a single race on the ballot.

But, the greatest celebration of all is our own Scott Pruitt and we would love to honor him for his achievements!

We are not only celebrating political victories, but we will have a special program on Saturday highlighting the Governor's Oklahoma Fosters Program asking our delegates to become more involved in the foster care program.

The audience will consist of approximately 500 OKGOP supporters and donors.

Press attendance will be subject to your office's preference.

I look forward to hearing from your office on Admin. Pruitt's availability.

Oklahoma Republican Party

Hi Sarah,

Mr. Pruitt cannot ever engage in any fundraising for any political party or group, which includes how the organization refers to him in its publicity material if indeed he agrees to do this event. In addition, there are restrictions with regard to whether they can include his EPA title and position in connection with partisan political activity, and the organization will have to pay for his travel expenses.

Ryan,

Congratulations on your new job as COS for Administrator Scott Pruitt! Our nation truly is in a better place with you two at the EPA.

I would like to request Admin Pruitt to be our keynote speaker at our largest fundraiser of the year, The State Convention's Gala Dinner on May 5th, 2017 at the FirstMoore Baptist (301 NE 27th St, Moore, OK 73160).

Reception begins at 6 p.m. where Admin. Pruitt would be the guest of honor with the dinner at 7 p.m. when he would give the keynote address around 7:45 p.m.

The theme for the weekend is "Celebrate Oklahoma".

The Republican Party is proud to have voted for the Republican nominee for President for the 4th consecutive election which led to Donald J. Trump becoming the 45th President of the United States. We celebrate our 94% win record on the ballot in 2016 where the state democrats did not win a single race on the ballot.

But, the greatest celebration of all is our own Scott Pruitt and we would love to honor him for his achievements!

We are not only celebrating political victories, but we will have a special program on Saturday highlighting the Governor's Oklahoma Fosters Program asking our delegates to become more involved in the foster care program.

The audience will consist of approximately 500 OKGOP supporters and donors.

Press attendance will be subject to your office's preference.

I look forward to hearing from your office on Admin. Pruitt's availability.
